The Ship

The Multi-purpose patrol boat Triglav 11 is primarily used for the surveillance of coastline the territorial waters of the Republic of Slovenia.

Fitted with additional equipment, it can provide support for divers and participate in search and rescue missions at sea.

Search and rescue missions at sea include search and rescue of people and assistance in the prevention of major pollutions at sea.

The crew of Triglav 11 will provide the recognised maritime picture within the area of responsibility.

It will control sea traffic, perform cooperative and non-cooperative investigations of suspicious vessels as well as search and rescue at sea.
