## OVERVIEW

The French frigate Premier maître L'Her based in Brest, Brittany, is a D'Estienne d'Orves-class avisos, also known as the A69 type avisos.

It is comparable in size to a light corvette, mainly designed for coastal anti-submarine defence, but it is also available for high sea escort missions.

A total of 17 ships of this class were built, with the French ships being named after heroes of the Second World War.

With a crew of ninety people on board, the Premier maître L'Her will contribute to the UN arms embargo off the coast of Libya.
